Can You Help?

Our **Little Free Pantry** is in high demand right now.

Thanks to the generosity of **Sylvan Lakers**, we've been able to stock with it items like non-perishable food items, diapers, health care products, toiletries, baking supplies, etc. These items leave the shelf almost as soon as they go up.

If you have spare items that you don't need, and would like to donate, please consider bringing them to the library to help support this community project.

Thanks!
Corrie,
Library Programmer
