How many minutes did you read each day this month?

School-aged children can track their reading and earn prizes!

Every day:

- Write down the number of minutes you spent reading.

At the end of each month:

- Optional: Write a few sentences or draw a picture of your favourite thing you read this month.
- Bring in your Reading Log to get a stamp and collect a prize.

Each month, there will be a prize for the Top Reader who read the most minutes that month.
